Sir:

This is a request for a reconsideration of the patent term adjustment determination in the above application.

The patent term adjustment in the Issue Notification of September 23, 2009 stated that the patent term will be extended by 348 days. However, Applicants respectfully submit that under 35 U.S.C. § 154(b)(2)(A) and 37 C.F.R. § 1.705(d) the patent term should be extended by an additional 268 days, for a total of 616 days.
